

## Baseline evaluation for eportfolio implementation – (Academic Tutor)

**Context:** An electronic portfolio (eportfolio) is being introduced into the undergraduate programme (clinical practice/module). We would like you to complete this questionnaire to allow us to improve your experience of using an eportfolio.

1. How confident are you with standard technology (e.g. MS Word, internet). Tick one of the following:  

Not confident	Confident	Very Confident
---------------	-----------	----------------
2. Do you have access to the internet from home?      Yes / No
3. What do you understand by eportfolio?
4. Have you used eportfolio as a teaching or assessment tool before? If, so in what setting?
5. If you have used eportfolio before , what were the benefits?
6. If you have not used eportfolio before, what are your expectations of using this tool (e.g. for recording clinical achievement or module assessment)
7. What information are you being offered currently on how to use an eportfolio?

8. What IT support is being offered currently in relation to using eportfolio?

9. Do you think eportfolio will change your style of teaching, and if so, how?

10. Can you foresee any disadvantages of using eportfolio?

Thank-you for taking time to complete this questionnaire.
