

## **Baseline evaluation for eportfolio implementation (student)**

Context: An electronic portfolio (eportfolio) is being introduced into your programme (clinical practice/module). We would like you to complete this questionnaire to allow us to improve your experience of using an eportfolio.

1. How would you rate your confidence using standard technology (e.g. internet, MS Word)? Tick one of the following:  
Not confident    Confident    Very confident
2. Do you have access to the internet from home? Yes / No
3. Have you used an e-portfolio previously? Yes / No
4. What do you understand by eportfolio?
5. What are your expectations of using an eportfolios in clinical practice/module?
6. What information have you been offered on how to use an eportfolio?
7. What IT support have you been offered in relation to using eportfolio?
8. Do you think eportfolio will change your style of learning, and if so, how?

9. Do you expect engaging with eportfolio will benefit you as a student in your undergraduate programme, and if so how?
  
  
  
  
  
  
  
  
  
  
10. Do you expect eportfolio will benefit you as a professional, and if so how?
  
  
  
  
  
  
  
  
  
  
11. Are there any other advantages of using an electronic portfolio, compared to current paper-based documentation (e.g. clinical learning logs/booklets)?
  
  
  
  
  
  
  
  
  
  
12. Can you foresee any disadvantages of using eportfolio?

Thank-you for completing this questionnaire
