

Uploading a document or image to PebblePad

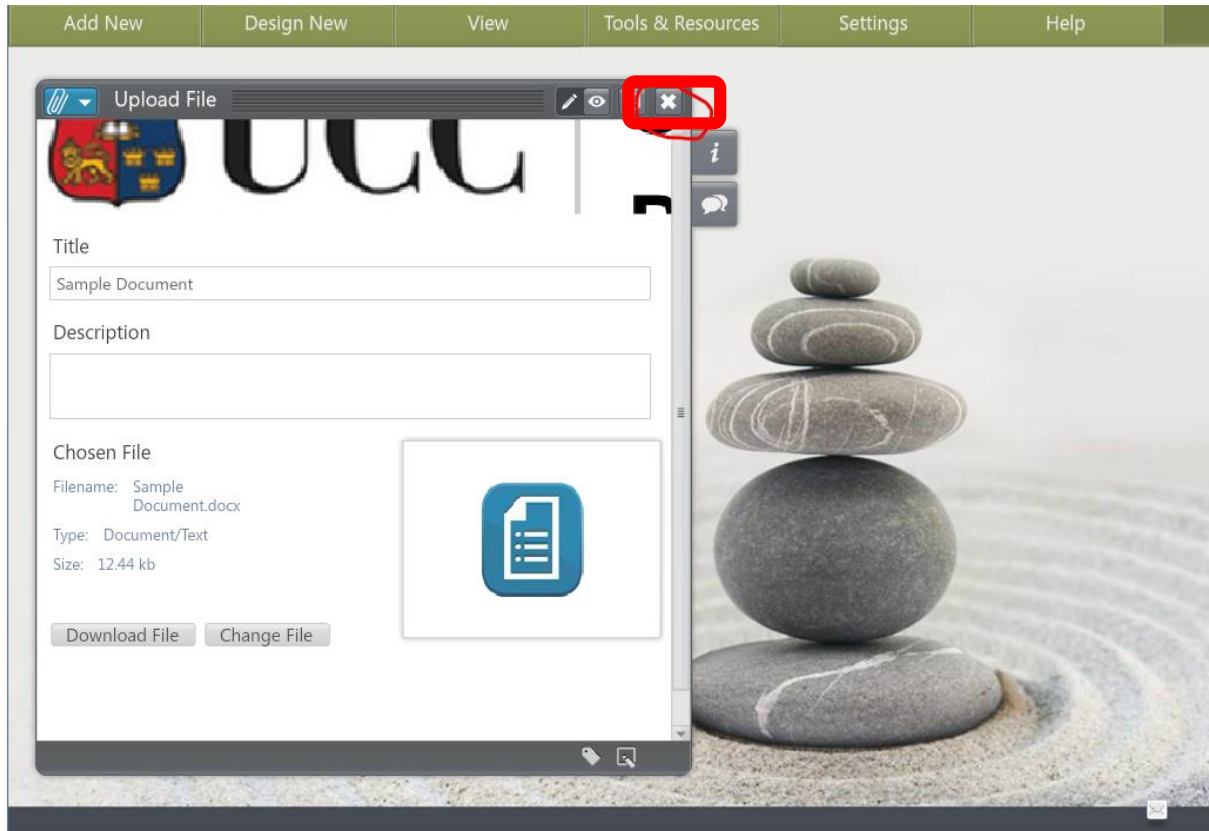

1. In Pebble+, click “Add New” -> “File”

2. A new window will open called "Upload File".
 - a. Enter the name of the file in the "Title" text box.
 - b. You have a choice to give a more detailed description of the file in the "Description" textbox.
 - c. Click "Browse" and select the file from your computer that you wish to upload to PebblePad.
 - d. Tick the box at the bottom of the window if the document/image is not protected by a copyright.
 - e. When all the relevant information has been correctly entered, click the "Save & Upload" button

3. Keep the window opened while the file uploads to PebblePad. The file will be finished uploading when the window appears like below.
 - a. The window can be closed by pressing the “X” button at the top right of the window.

4. To view the file in PebblePad, open "Asset Store", and the file will be visible.
